Johnnie Walker Blue Label		880

All prices are subjected to 10% service charge & prevailing government taxes, unless otherwise stated.

BOURBON

Today there are few if any similarities left between American whiskey and its cousins, the Scottish and Irish whiskies. For example, no smoke is used to dry the corn, rye or wheat, which are used in American whiskey. Because of this, American whiskey often has a fuller, stronger and sweeter taste than its European counterparts.

	Glass	Bottle
Maker's Mark	18	220
Jack Daniel's	18	220
