Standing at nearly 300 metres above sea level, 1-Altitude gives new meaning to the term living on the edge. Touted as the world's highest al fresco bar, it's THE ultimate place for a good time, housing a bar, a restaurant and a dance club all under one roof.

First, watch the sunset (and get a spectacular 360-degree view of Singapore) on the rooftop (1-Altitude Gallery and Bar (<http://www.1-altitude.com/#!/Gallerybar/About>) at level 63) as you sip on glasses of bubbly. Then, head down to the 62 floor for a gourmet, artisanal feast at Stellar (<http://www.1-altitude.com/#!/Stellar/About>), before intensely dancing the rest of the night away at Altimate (<http://www.1-altitude.com/#!/Altimate/About>) on level 61.

To soak in the stunning view, the bar's Sundown Affair (<http://1-altitude.com/#!/Gallerybar/Sundown>) from six to eight pm is ideal for an after-work chillaxing session or to kick off your evening of fun. As sunset morphs into night, expect refreshing cocktails and drink deals, as well as delectable bar bites. The bar's extensive line-up of live bands and resident DJs is guaranteed to keep revellers going into the night.

You can expect a different party experience each night at 1-Altitude, with special promotions and themed evenings. Wicked Wednesday Ladies' Night (<http://1-altitude.com/#!Gallerybar/What>) has enticing drink offers as you jam to R&B and hip hop tunes. For a tinge of nostalgia, relive the hits of the 70s to the early millenium at T.B.T (Turn Back Time (<https://www.facebook.com/1Altitude/>)) on Thursdays, for the perfect blend of funk and jive. Plus, treats await partygoers who come dressed to impress.

These, along with a range of unique collaborations and international acts, makes 1-Altitude's rooftop the most thrilling nightspot in the sky. The gallery and bar has won accolades at the Singapore Experience Awards (<https://www.singaporeexperience.com/>) for **Best Night Spot (2012)** and **Best Customer Experience (2013)** - placing 1-Altitude literally at the top of the world.
